Overview and Goals

Overview

In accordance with its mandate from the State Legislature to encourage participation in the grants decision-making process at the county and regional level, the New York State Council on the Arts (NYSCA) inaugurated the Statewide Community Regrants Program (SCR) (formerly the Decentralization (DEC)) Program in 1977 for the redistribution of public funds. This program enables selected local arts councils, county governments, or regional advisory boards to regrant state funds for arts events and cultural development in their communities.

Since 1984, Delaware Valley Arts Alliance (DVAA) has worked with NYSCA as the DEC Grants Program site in Sullivan County, for the purpose of administering Arts for Sullivan funding to artists, art organizations, cultural and heritage groups. The Arts for Sullivan SCR Regrants Program is largely credited for establishing Sullivan County’s cultural life as we know it today--relevant, vibrant and healthy.

DVAA’s mission is to advance the arts in the region through the support and encouragement of artists, innovative programs, advocacy, and alliances with arts organizations, business, and government.

This program is an extension of the “Arts for Sullivan” Statewide Community Regrants Program, a regrant program of the New York State Council on the Arts with support of the Office of the Governor and the New York State Legislature and administered by Delaware Valley Arts Alliance.

In 2022, DVAA will administer four discipline-specific fellowships to Sullivan County artists; two in the category of Visual Arts, and two in the category of Literary Arts. Each artist will receive $1,000 to facilitate the creation of new artwork in 2022.

An element of this funding is a community engagement component. The project must engage a segment of the community through a public program such as an exhibition or performance that is open to the public.

Review Criteria & Process

2021 Application Cycle Timeline

• Application Opens: Wednesday, November 10, 2021

• Application Deadline: Wednesday, December 15, 2021 (11:59 PM EST)

• Awards Announced: February 2022

• Grant Award Showcase: May 2022
All submissions will be presented to a peer panel anonymously and will be judged solely on the basis of application materials. All decisions will be made exclusively by the panel.

Before the panel convening, each application is read for accuracy and completeness by the DVAA Grants Manager and will notify applicants of omissions or errors as well as provide support with constructing a successful grant throughout the application process.

The DVAA Grants Manager facilitates the panel formation and discussion. Panel discussions rely on material provided in the applications, as well as knowledge of funding priorities and criteria. Panel members are solely responsible for the funding recommendations that are made.

Funding recommendations are then presented to the DVAA Board of Directors for approval.
